

# Omni Spray TC 20

## Product description

Omni Spray TC 20 is an effective multipurpose product for quick and general maintenance of machines and equipments. This is specially formulated to perform wide range of maintenance tasks. It has low surface tension and wets metal surfaces including microscopic irregularities. Its water displacing properties protect electrical equipments from short circuits.

## Applications

Due to its good adhesive properties to metallic surfaces, it provides corrosion protection & provides light lubrication to moving parts, contacts etc. Due to its high penetrating and spreading properties, it penetrates rapidly and loosens rusted nuts and bolts, fanges etc, thus facilitating disassembly. It has good cleaning and degreasing properties. Its water displacement properties prevent malfunctions and breakdowns by sealing against moisture in electrical applications.

## Advantages

Displaces moisture • Offers short term corrosion protection • Loosens the rust & releases rusted bolts & nuts

## Handling instructions.

Shake the can well. Keep away from open flame & heat. Do not store above 50°C .Contents under pressure. Highly flammable material. Check for compatibility before use. Refer MSDS for more information about safe use, physical & health hazards.

## Technical Properties

Parameter	Value	Unit	Standard
Appearance	Brown oil		
Density	~ 0.83	g/cc	
Viscosity	~ 3	cSt	ASTM D 445
Flash point	< 0	°C	ASTM D 566
