

Super Lube Spray TC 205

Product description

Super Lube Spray TC 205 is an adhesive chain lubricant that has latest innovation in chain lubrication technology, combining excellent anti-wear protection of motor bike chain and sprocket. This forms a tenacious lubricating film that resists wear, corrosion and does not get thrown off. This is fortified with solid lubricants.

Applications

Super Lube Spray TC 205 is used for superior lubrication of all types of automobile chains, especially for race bikes.

Advantages

With outstanding creep and lubricating effect • Particularly suitable for fast-running chains • Reduces chain elongation and helps to extend chain service life. Full effectiveness only when used unmixed • Extremely adherent and waterproof chain lubricant • Compatible with O,X,Z rings

Handling instructions.

Shake the can well. Keep away from open flame & heat. Do not store above 50°C .Contents under pressure. Highly flammable material. Check for compatibility before use. Refer MSDS for more information about safe use, physical & health hazards.

Technical Properties

Parameter	Value	Unit	Standard
Appearance	Black fluid		
Density	~ 0.90	g/cc	
Viscosity	~ 150	cSt	ASTM D 445
Flash point	< 0	°C	ASTM D 566
